STAN **PEPELS**

TOOLS PROGRAMMER

Bavelselaan 220 Breda · 06-12536080

stanpepels@gmail.com · www.stanpepels.github.io

EXPERIENCE

JULI 2011 – MAY 2015

WAITER / KITCHEN HELP, OOS HOES GREVENBICHT

My responsibilities ranged from doing to dishes to serving people food and drinks.

SEPTEMBER 2018 – JULI 2019

INTERNSHIP TOOLS PROGRAMMER, TRIUMPH STUDIOS DELFT

My work here consisted of setting up a multiple platform build/deployment pipeline using Jenkins. Additionally, I did some madding support and misc. gameplay tasks

EDUCATION

SEPTEMBER 2015 - NOW

BACHELOR COMPUTER SCIENCE, NHTV IGAD

Currently, I'm in the final-year programming student.

SEPTEMBER 2008 – JUNE 2015

VWO, TREVIANUM SITTARD

I got my degree in both the NT and NG profile.

SKILLS

- Communication:
  - o English: fluent
  - o Dutch: native language
- Programmer:
  - o C++: fluent
  - o C#: fluent
  - o Python: beginner
  - o Java script: beginner.
  - o Lua: beginner.

- Determined
  - o When I'm working on a problem I won't stop thinking about a problem until I found a fitting solution.
- Planner
  - o I have been working with scrum for 2 years in an educational environment.

INTERESTS AND ACTIVITIES

- **Games:** My favorite type of games are games like dark souls and bloodborne when I have nothing to play those games always draw me back in.
- **Sports:** I've been doing judo since I was 8 and for some time helped to teach little kids and did voluntary refereeing at tournaments.
- **Woodcraft:** I love working with wood outdoors to build handcrafted longbows.
